### **Drugs Alcohol and Tobacco**

Students involved in extracurricular activities/athletics shall not manufacture, distribute, dispenses, possess use or be under the influence of illicit drugs, controlled substances, alcoholic beverages, or tobacco products. This policy is in effect beginning the first day of fall practice through the end of the last completion or activity for each spot/activity throughout the school year. This policy is in effect when students are attending summer camps or workshops as a representative of Wichita county public schools. Consequences will be implemented when substantiated and after the substantiated violation is reported to the students. Substantiated is defined as Actual witness to the violation by a coach, activity sponsor, school administrator, teacher, law enforcement officer, or self reported. Parents/guardians may also report violation to the school administration.

Any athlete/participant knowingly possessing, selling, distributing, or drinking alcoholic beverages, using tobacco products or using drugs while out for an activity/spot will be disciplined. Students may be assigned but not limited to the following disciplines. The athlete/participant must agree to counseling, will continue to practice but must sit out at least one event for each activity/sport that they are involved in. Additional violations within the same school will result in dismisses from the team. The coach/sponsor of each activity may administer additional consequences after discussion with the AD and/or principal.
